

TONE

ENERGY EFFICIENT, INTELLIGENTLY DESIGNED TECHNOLOGY
COMMITTED TO BREWING PERFECTION!

ICEKITS

Fresh cold coffee & tea brewing it no longer a challenge with the TONE Ice Kit Solution.

Designed for use in combination with TONE touch 01 and TONE touch 02 this simple accessory allows preparation of large quantities of fresh quality cold beverages. Water dilution is no longer something to worry about. Allow TONE to cool things down and keep all the flavor of your coffee and tea just as you brewed it.
